

Exeter Township Spring Clean-up

Free to Township residents! Have trash out by 7 AM

April 26 and May 3, 2014

As part of the Host Community Agreement between Exeter Township and the Pioneer Crossing Landfill, local waste company J. P. Mascaro & Sons will conduct a Township-wide spring clean-up for Exeter Township residents. Half the Township will receive this community service on Saturday, April 26, the second half on Saturday, May 3, 2014. This community clean-up day is not for normal household trash. That trash is collected weekly by the residents' trash hauler. This service is for clean-up items that are not included in normal weekly trash collection such as washers, dryers, refrigerators, freezers, air conditioners, water heaters, stoves, and for large household items such as sofas, chairs, tables, bureaus, beds, and other bulky items.
