We understand what is **IMPORTANT** to a privately-owned trash hauler's business. A landfill's per-ton tipping fee is not the only measure or component of **DISPOSAL VALUE**.

Haulers using the Pioneer Crossing Landfill:

- ◆ Get **DISPOSAL VALUE** by not having to wait in line to dump. Time is money.
- ◆ Get **DISPOSAL VALUE** by realizing reduced transportation costs.
- ◆ Get **DISPOSAL VALUE** because of the local proximity of the landfill.
